[ ] called and said he understands you wish to be the contact point for requests to the Director to speak at various Training courses. He is interested in lining up the Director for the next Midcareer Course:

a. (Their preference) Closing Remarks at 3:00 (30-40 minutes) on Friday, 1 June -- just "congratulations" and open the floor to questions.

b. (If the above can't be worked out) Opening Remarks at 3:00 (15-20 minutes) on Wednesday, 18 April -- just a "welcome, congratulations, you will be the leaders of tomorrow," etc.

Do you really wish these requests to go through you? Yes \_\_\_ No ☒ If not, I'll suggest that they approach the O/DCI direct, as they have done in the past.
